A Message From . . .

. . . the President

Welcome to another year of exciting athletic events and programs at Avila University.

We congratulate our student athletes on their achievements in sports and their successes in their academic pursuits. Avila varsity athletic programs include football, men and women's basketball and soccer, men's and women's volleyball, baseball, softball, women's golf and competitive dance and cheer.

There are numerous activities at Avila for all of our students including, intramural sports, theatre, debate, and a variety of student organizations. Because of our size, all students can participate and take leadership roles in activities of their choice.

Most importantly, the Sisters of St. Joseph founded Avila in 1916 based on the value of excellence. We are committed to helping our students achieve excellence in their chosen fields of study and in their lives.

Join us in enjoying the excitement of Avila University athletic competition!

Sincerely,

Thomas F. Gordon, J.D., LL.M
President
Avila University

. . . the Athletic Director

Welcome to another exciting season of Avila Athletics. Avila has experienced a tremendous expansion since last school year. AU is as committed now as it has ever been to providing for our student-athletes.

This support comes in a variety of ways. Obvious examples of support are physical improvements. These improvements include the recent expansion of the Mabee Field House which included new locker rooms, a new training room, a multi-purpose room, a new softball/baseball batting cage, an expansive weight room, and a new playing surface for our volleyball and basketball teams. Our baseball field received a beautiful new Bermuda grass infield and we have built a new multi-purpose practice facility that will be utilized by our soccer and football teams.

These are just a few examples of the support our student-athletes are receiving. An additional type of support our students deserve is yours! Your involvement by regular attendance at competitions, vocal encouragement, and good sportsmanship are easy ways you can be supportive of our student-athletes.

Thank you for your interest in Avila Athletics and I look forward to seeing you at many more events this year.
GO EAGLES!

Sincerely,

Mike Sharpe
Director of Athletics

2003-2004 Team Outlook

The 2004 season outlook for the Eagles baseball program looks promising. The Eagles will return eight starters from their team that captured the 2003 Heart of America Conference championship and finished the season ranked 16th in the NAIA national poll. Ten of the Eagles' returning players received HAAC all-conference honors and one returnee also received national recognition as an NAIA All America honoree.

The pitching staff was one of the best in the nation last year and looks to be strong again in 2004. Under the direction of pitching coach Tom Miller, a former Triple A pitcher with the San Francisco Giants organization, the Eagles led the Heart of America Conference with a 3.06 ERA. HAAC Player of the Year Brett Reid was the staff ace. He was selected by the Montreal Expos in the 2003 Major Baseball League Draft. He will need to be replaced, but a strong nucleus remains. With help from some key newcomers, the Eagles look to be tough on the mound again in 2004.

Key returnees for the Eagles this year include left handed pitcher John Andrade (Sr. Los Angeles, CA), an NAIA honorable mention All-American, All-Region, and 1st team HAAC all-conference selection. John completed the 2003 season with an 11-2 record and posted a 1.98 ERA. Joining Andrade in the bullpen will be David Feliscian (Sr. Delano, CA). Another one of the Eagles HAAC 1st team all-conference selections as a pitcher, Feliscian had an 8-0 record and recorded a 1.50 ERA. Jason Ryerson also returns and will fill the #2 slot in the rotation this year.

Offensively, the Eagles led the HAAC with 50 home runs in 46 games and were one of the nations top offensive teams. Senior Kevin Henry (Kansas City, MO), a 1st team all conference outfielder last year, returns to key the Eagle offense. Henry hit 15 home runs and had 60 RBI's. Henry will move to first base this season from leftfield. The Eagles middle infield is arguably the best in the conference with seniors Al Estrada (Fullerton, CA) at second base and Nate Brandt (Fullerton, CA) at shortstop. Brandt and Estrada turned 24 double plays and combined for only 10 errors in 46 games. Estrada hit.370 with 7 home runs in the leadoff spot while stealing 33 bases. Brandt hit .367 with 3 home runs and 10 stolen bases. Third base will be manned by newcomer Clint Honeycutt (Jr. Somerset, CA), a transfer from Butte Junior College in California Junior Phil Budig (Fullerton,CA) will handle the catching duties. Rightfielder Jerry Robertson (Fullerton, CA) who hit .350 last year with 8 home runs also returns. Centerfielder Nick Zicarelli (Kansas City, MO) will provide valuable senior leadership and intensity to the Eagle squad.

Head Coach Ryan Howard has high expectations for his 2004 squad, but also realizes that the Eagles will be challenged this season.

"Baseball is a sport that takes a great deal of focus. If we are focused on the game and doing the little things to win, then we will win. This year we will play the toughest schedule we have ever played at Avila and we are definitely going to have to focus. We have enjoyed the 2003 conference championship, but know that teams will be gunning for us now. We won't have the luxury of sneaking up on anyone this season."

2004 Team Outlook

The Eagles enter the 2004 campaign hoping to improve upon last season's 17-21 record. Second year head coach Steve Keel will count on a solid group of returnees to blend with a strong recruiting class and make the upcoming season a successful one.

The Eagles will rely on experience at several key positions. The middle of the defense will be solid with veterans returning at the catcher, shortstop, and center field positions. Senior Amanda Brock (Bogard, MO) will assume the majority of the catching duties. Junior Kelly Newberry (Pleasant Hill, MO) returns at shortstop and senior Tricia Francy (Pleasant Hill, MO) returns to patrol center field. Both Newberry and Francy also provide the Eagles with speed on the base paths. Vanessa Petersen (Sr. Higginsville, MO) will lead the Eagle pitching staff and also assume the role of designated hitter on her off days.

Several newcomers will also need to contribute immediately this season. Petersen will get assistance on the mound from Heidi Heric (Fr. Shoreline, WA). Freshmen Kourtney Nigh (Kearney, MO) and Megan Findley (Raymore, MO) will also see some time on the mound. Nigh will also play second base and Findley is currently rehabbing a knee injury which may limit her innings. Angie Fawks (Soph. Richmond, MO) takes over as the Eagles rightfielder, while Stephanie Johnson (Fr. Battlefield, MO) will play third base and Jill Haney (Fr. Raymore, MO) will see time at first base.

Coach Keel believes that the Eagles have made significant improvements in all facets of the game, including pitching, defensively, and at the plate. He remarks, " I know we have good talent, we just need to come together as a cohesive unit to be successful."

The Eagles finished with a 7-13 mark in Heart of America Conference play last year and will battle MidAmerica Nazerene University (Olathe, KS), Culver Stockton College (Canton, MO), and Central Methodist College (Fayette, MO) for top honors in the HAAC in 2004. The Eagles open their season on February 1st against Park University and will travel to Orlando, Florida for their spring break trip from March 7th to March 14th.

Coaches

Head Coach - Steve Keel

Steve Keel enters his second year as the head coach of the Avila softball program. Keel previously served as the Eagles' assistant coach for two seasons.

A Kansas City native, Keel is a 1967 graduate of Park Hill High School. He received his bachelor's degree in marketing from the University of Missouri-Columbia in 1971. In addition to his experience as the Avila assistant coach, Keel has coached ten years of competitive club softball. He has also seen action behind the plate, serving as a baseball umpire for 12 years and a softball umpire for 4 years.

In his spare time, Coach Keel is an avid snow skier and an active member of the Grace United Methodist Church. Steve and his wife, Nancy, have one daughter, Sarah.

Assistant Coach - Jinny Chapman

Former NAIA All-American Jinny Chapman returns for her second season as she assists head coach Steve Keel.

Chapman, a native of Helena, MT, was a standout softball player at Capital High School in Helena before coming to Avila. While at Avila, Chapman was a 4-year All-Conference selection and was named the Heart of America Conference Player of the Year in 2002.

Her previous coaching experience includes stints as head coach of the Helena Bearcats 18 & under summer team in 2000 and assistant coach of the Sleeping Giant 16 & under team in both 1999 and 2000. Chapman received her bachelor's degree in education from Avila in 2002 and currently teaches in the Center school district of Kansas City.

Avila University is a dynamic, Catholic, four-year liberal arts and preprofessional university, sponsored and founded by the Sisters of St. Joseph of Carondelet. The University offers a broad range of studies - from business to corporate communications to allied health, just to name a few. Avila offers nearly 40 undergraduate degree programs and three graduate degree programs, many of which were the first of their kind in the Kansas City area.

For example, Avila was the first college in the Kansas City area to offer programs in nursing ... gerontology ... social work. We're also the first - and currently only - four-year Kansas City college to offer a paralegal program approved by the American Bar Association. We're one of only 23 colleges and universities in the entire country that offer a four-year degree in radiologic technology. And we offer the only accredited bachelor's degree in social work in the Kansas City area.

Come visit the campus at 119th and Wornall in suburban south Kansas City and discover even more surprises about Avila University!

Avila's Dr. Fred Geer Academic Cups are awarded annually to the top academic performers among male and female AU athletes.
